

Are you looking to make the best possible start to your graduate career?

The Company

Total Produce is one of the world's largest and most accomplished fresh produce providers. Operating out of 23 countries, Total Produce's global infrastructure of over 120 facilities extends across Europe, India and North America. Serving the retail, wholesale and foodservice sectors, Total Produce is a complete fresh produce solution provider - offering a comprehensive menu of services to our customers ranging from simple service provision to complete Category Management.

As we continue to grow we need talented, bright and ambitious people to join our Management Training Programme.

The Role

As a trainee Commercial Manager in our Foodservice Sector you will work with and learn from a great friendly team of Operation and Account Managers benefiting from their knowledge and experience of the business. You will work with them to create and deliver the operational strategy and drive efficiency and cost control whilst facilitating the sales strategy.

Alongside your training you'll be involved in:

The Procurement of both fresh and dry goods

Warehouse Management

Transport Management

Sales Development

You'll play a fundamental role in enhancing profitable performance, developing future growth and providing vision, direction and leadership.

Person Specification

You could be a fresh graduate or a business professional committed to business.

Personable, ambitious, organised and thorough in your approach to work

Ability to overcome challenges

Positive attitude

People focused

Committed
